

Find out what you can do to
SAVE THE EARTH!

at the First-Ever

Colorado Sustainable Living Roundup

Sunday, April 7 / 10^{am} – 5^{pm}

The Urban Farm at Stapleton

10200 Smith Road (just south of I-70 & Havana), Denver

"Round up" the whole family for this fun & educational event!

- ☀ Visit over 50 exhibitors of sustainable living technologies
- ☀ Watch full-sized wind turbines, alternative-fuel vehicles, and other renewable-energy technologies in action
- ☀ Learn how to save \$\$\$ through energy efficiency
- ☀ See a guy "Moonwalk for the Earth!"
- ☀ And treat the kids to horse-riding demonstrations and interacting with the farm animals!

This event is being held in association with the Colorado Wind and Distributed Energy (C-WADE) conference "Renewables for Rural Prosperity," April 8-9 at the Renaissance Hotel in Denver.

More information can be found on the Web at

www.state.co.us/oemc/events/distributed/roundup.htm

or www.TheUrbanFarm.org or e-mail ronallarson@qwest.net
